Apple, macOS, SmartMask, SmartMask Data, Mac, Apps, Software What is the difference between Adobe Photoshop (or Adobe Camera Raw), SmartMask and SmartMask 7.0.1924? A: What is the difference between Adobe Photoshop (or Adobe Camera Raw), SmartMask and SmartMask 7.0.1924? Adobe Photoshop and Adobe Camera Raw are the applications released by Adobe that are bundled with Photoshop; the acronyms refer to the reason why they are bundled with Photoshop; the other two programs are companion applications. The SmartMask application is generally a standalone program that does the job of a photo masking tool, but bundled with Photoshop. It does this by using both the Photoshop file that it is run with and the user's own personal and/or Creative Cloud preferences.
